Our Philosophy On Partnership

At Image Improved we believe that if you are successful we are successful. That's why we put time and energy into giving you ways to show off your new products. In some cases we even even cover the costs!

The Programs

Decor Store: *I Want This (Only \$75.00)

The Decor Store is a way to expand your website to all of your new products. We start by putting a link on your site that goes to a duplicate of the Image Improved website that will have your company logo, look and contact information on it. Your customers will contact you via phone or email and place an order. You will then place the order with us and we will ship it either to you or drop-ship it to your customer.

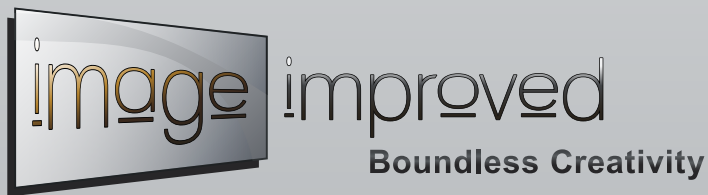

500 Postcards (Upon your first order of \$1,000 or greater): *I Want This

Upon your first order of \$1,000 or greater we will provide you with 500 postcards promoting your new products. The postcards will be designed and printed with your companies logo and contact info. If you check this we will call you about your first order. Once the order is placed we will design, print and send you the cards. Here is an example:
